PROFESSIONAL SUMMARY

Results-driven **Java Backend Developer** with **2+** years of experience in building scalable applications using Spring Boot and Microservices. Skilled in optimizing RESTful APIs and designing high-performance backend solutions. Passionate about **innovation, problem-solving**, and continuous learning in **software development**.

TECHNICAL SKILLS

Programming Languages:	Java (8+), HTML, CSS, JavaScript
Frameworks & Libraries:	Spring Boot, Spring MVC, Hibernate, JUnit, Mockito
Databases:	MySQL
Technologies:	RESTful Web Services, Microservices
Development Tools:	Maven, Git, Postman, IntelliJ IDEA, Eclipse
Core Concepts:	Object-Oriented Programming, RDBMS

PROFESSIONAL EXPERIENCE

Systems Engineer

Infosys Limited.

Mysore, Karnataka, India

June 2022 - September 2024

- Designed and developed scalable web applications using **Java, Spring Boot**, and **Microservices architecture**.
- Optimized RESTful API** performance by **20%**, improving backend response times and scalability.
- Created comprehensive **API documentation** using **Postman** to streamline communication and integration.
- Participated in **code reviews, sprint planning**, and other **Agile development activities**.
- Collaborated with **cross-functional teams** to **design, troubleshoot**, and improve **code quality**.

PROJECTS

Consumer Insurance Policy

- Developed claims processing and policy management modules to enhance customer efficiency.
- Optimized claim processing time by **15%** using **MySQL indexing** and **query optimization**.
- Achieved **85%+ test coverage** with unit tests to ensure reliability and maintainability.

Ekart Web Application

- Built a robust backend for an e-commerce platform, facilitating seamless shopping experiences.
- Implemented **database query optimization** and **pagination**, improving data retrieval speed by **20%**.
- Integrated RESTful APIs to support smooth interactions between front-end and back-end.

EDUCATION

Bangalore Institute of Technology

Bachelor of Engineering in Computer Science

Bangalore, Karnataka, India

September 2018 - August 2021

Government Polytechnic Harapanahalli

Diploma in Computer Science

Davanagere, Karnataka, India

June 2015 - July 2018

CERTIFICATIONS

- Infosys Certified Java Programmer
- Infosys Certified Java SE 8 Developer
- Infosys Certified Spring Boot Developer

EXTRACURRICULAR ACTIVITIES

- Won the dance competition at Infosys Vijayotsava Festival 2023.
